HOUSE RULES

CLOSE THE DOOR

We have a cat-proof double door system to prevent the cats from escaping. Enter in small groups and only open the second door when the first one is closed.

PAWS ON THE GROUND

Cats don't always like to be picked up. We ask that you let ours stay on their own paws. Let them walk around and sniff you first before making any contact. By taking it easy and letting them come to you, they will trust you faster. Win-win!

DON'T DISTURB THE CATS

Between all the playing and cuddling, our cats also need breaks. Don't disturb them when they are sleeping, eating, or drinking and wait until they come to you.

DO NOT BRING OUTSIDE FOOD IN

Our cats have an adjusted diet, so do not bring any food inside and don't let them eat from your plate. You can definitely come and ask for a treat to give to them.

BE NICE TO THEM

Cats are living creatures - just like us! Give them some time to get used to you, engage with them in a calm manner, and always keep your children under supervision.

TURN OFF YOUR FLASH

You are more than welcome to take as many photos as you want! Do check that your flash is turned off so the cats won't be startled when you take pictures.

IF EVERYBODY FOLLOWS THE RULES, POESCAFÉ WILL BE A FUN ENVIRONMENT FOR HUMANS AND CATS - ENJOY!
